

## Press Release

### Mitsubishi Electric Thai Foundation and Mitsubishi Electric Group in Thailand donate 270,000 baht to Prateep Dek Thai Project to fund the construction of child development center nationwide

Mitsubishi Electric Thai Foundation, led by Mr. Hiroaki Kondo, Vice Chairman, Mr. Hisashi Hiraki, Director and Secretary and Mr. Krit Thongnark, Director, along with representatives from Mitsubishi Electric Group in Thailand, together donate 270,000 baht to support "Prateep Dek Thai Project" to Phrakru Palad Burom Techadhammo, Assistant Abbot of Wat Dhammamongkol. The donation is aimed to fund the construction of a child development center to cover all areas of Thailand. The Mitsubishi Electric Thai Foundation has been supporting the project continuously for the fourth consecutive year.

The Prateep Dek Thai project was founded by Phra Prommongkolyarn (Venerable Luangphor Viriyang Sirintharo), the Lord Abbot of Wat Dhammamongkol. The project aims to focus on promoting and developing potential for children aged from 2 - 6 years to have good physical, mental, emotional, social and intellectual development according to the age range as to prepare them to grow into a valuable human resource for society and the nation.

Mitsubishi Electric Group in Thailand supports activities related to social responsibility based on the belief that Corporate Social Responsibility is an integral part of business operations. The Mitsubishi Electric Thai Foundation's main activities are to focus on promoting education, environment and social development for good quality of life for sustainability through a wide variety of activities in line with Mitsubishi Electric Group's ambition, "Changes for the Better", which strives to change for the betterment of society along with business operations.
